A monthly calendar will be available at the site. This calendar will show our activities/eat about town locations, etc.

Weekly newsletters will also be emailed and available at the site. This is our way of communicating activities with parents. It is your responsibility to pick up these letters and read the message board.

Bills are emailed or balance can be checked at the keypad. Payments should be made in the payment box. Please write your child's name on the payment.

Payments not received by noon Monday will result in your child not being allowed to attend.

The costs of Summer Kid's Club depend on the number of days your child will attend during the week. Payments are due on Friday for the following week's attendance. Keep in mind that if payment is not received your child may not attend the program. Each family is allowed two weeks off during the session for vacation.

Any additional weeks off will be charged the part-time rate.

Changes in schedule must be made in writing, two weeks in advance.

Kid's Club Kids also charges each child a one time, **\$70 bussing fee** for our activities.

A nutritionally balanced lunch must be provided on sack lunch days. Any nutritional additions that need to be provided will be charged to account.
