## **Board of Directors Application**

Kid's Club Kids is a state licensed OST (out of school time) program, committed to providing a quality before and after school program for children in grades kindergarten through sixth. Age-appropriate activities designed to increase children's self-esteem, individual interests and community involvement will be provided along with fun and educational activities, both structured and free-choice. Qualified staff persons are employed to ensure each child's needs are met. Academic enrichment and lifelong recreation skills are both benefits of the Kid's Club program. Parents are encouraged to become involved with Kid's Club when and wherever possible.

The Board of Directors shall consist of at least five and no more than nine members of the community who have a personal or professional interest in developing and promoting a stable, nurturing, recreational environment for children needing before and after school supervision. When possible, Board members will be chosen to represent education, medical, social services professionals, and parents.

Board members will serve for a three-year term of office. The Board shall convene at least four times per year.
